If so, what are they?				
Please read and initial the following information about contraindications				
<input type="checkbox"/> Anyone showing signs of redness, rashing, open and/or abraded skin, an active lesion of Herpes Simplex I or II, sunburn (either from natural sun exposure or a tanning bed), psoriasis or eczema cannot receive waxing services				
<input type="checkbox"/> Anyone currently using or having used in the past five days the following medications: Retin-A, Renova. Differin or Avita cannot receive waxing services.				
<input type="checkbox"/> Anyone having just received a microdermabrasion treatment or an acid peel, cannot have a waxing service to the same area.				
<input type="checkbox"/> Regarding Herpes Simplex, Types I and II, anyone with a history of Herpes Simplex I or II has been Advised that waxing services may cause an outbreak to resurface.				
I confirm that the above-mentioned contraindications for my services today do not apply to me.				
Waxing of Sensitive Areas (Breast Area, Bikini Line or Brazilians)				
I hereby provide my consent to the waxing of sensitive areas such as breast tissue, genitals, buttocks and inner thighs and understand that the completion of such service may require the touching of sensitive area by the Esthetician Please initial here				
The area of the skin that will be waxed may or may not be sensitive for 24-48 hours after waxing. Avoid any low pH products on that area such as Retin-A, Glycolic/Salicylic Acids, topical acne preparations such as benzoyl peroxide and the like for up to 48 hours. Avoid exercise for 24 hours as perspiration can cause prolonged redness and irritation and may cause stinging. Avoid direct sun exposure to the treated area(s) and be sure to wear sunscreen as always but particularly on the treated area when in the sun.				
I have read the above contraindications and the related pre and post instructions pertaining to the professional services I am about to receive and do therefore agree to waive all liabilities towards Skinhydra and practicing licensed esthetician for injury or damages. I certify that all the information above is correct and hereby give my consent for a waxing treatment I also understand that it is my responsibility to inform Skinhydra of any changes pertaining to any information I have given on this form
